

BRIDE AND GROOM INFO SHEET

WHY US?

We offer an individual personalized service that specialises in passenger transport on Waiheke Island.

If you're coming to Waiheke Island and have arranged transport with us we will personally meet and greet you at either Matiatia (Fullers ferry) or Kennedy Point (Sea Link ferry) wharfs.

We have a range of modern air conditioned vehicles to suit individual travellers or large groups attending weddings. Whether you are coming to the island for the day or if you are staying a little longer, we can offer a variety of options for you to explore the island. These include personalised tours, trip's to the wineries, drop off's for tramping trails & beaches or if you want to do it yourself -freedom car hire.

A wedding is a special day, a once in a lifetime experience. Our commitment is not only to get you there on time; it's to ensure the whole event runs smoothly and without stress. We want you to have a fantastic time then return to Auckland safely.

Our drivers are seasoned professionals. They are reliable, courteous and will help you with anything you need doing. Carrying the luggage, keeping the wedding present safe, making the odd detour to a friends house are all part of each day for us. Oh and I think you will find they know a bit about the island as well and will only be too happy to share their knowledge of the island with you. Safety is our number one consideration. Although all our vehicles are modern we have a most stringent maintenance schedule which is monitored by the NZ Transport Agency. All our vehicles have seat belts and our drivers have regular on-going training and assessment.

GUEST TRANSPORT INFO SHEET

ABOUT WAIHEKE

Waiheke Island - the jewel of the Hauraki Gulf lies 17kms to the east of Auckland, just a short 40 minute journey by Ferry.

Famous for its red wine & olives, art & sculpture, white sandy beaches and scenic coastal walkways, Waiheke Island is often described as village life a short step from downtown Auckland.

For many visitors it's a great day out but they will soon discover there is lot more to do than can fill one day. Mountain Biking, Kayaking, horse riding, fishing or just relaxing on the stunning east coast beaches can fill some of the day but no trip to the island is complete without and tour of the island with a little wine tasting or lunch in one of the many vineyard restaurants.

If you choose to stay over there is a variety of accommodation to suit all budgets.

GETTING THERE

There is a daily ferry service from Downtown Auckland or Half Moon Bay in East Tamaki.

Ferries leave throughout the day on the hour. For more information contact www.fullers.co.nz www.sealink.co.nz

WAIHEKE EXECUTIVE TRANSPORT

On arrival on the Island you are confronted with a range of options to access the main villages, beaches and wineries. But do you really want to spend the day working out where to go once you get there?

We offer an individual personalized service that specialises in passenger transport on Waiheke Island.

WHAT IF IT'S NOT US

We are the most professional & experienced operator on the Island. We take you to all the best locations when no one else is there.

Waiheke Island is a busy holiday destination. Throughout the summer there are a variety of events which put pressure on the transport system. Unlike a mainland City there are only two places where you can enter and depart (Ferry terminal) and these are at set times. If a ferry is arriving or leaving there can be over 400 passengers at the wharf. We will meet you and direct you to our vehicles parked away from the hustle and bustle of daily commuter passengers. We will be able to book your transport and we will guarantee that you are picked up from the ferry to get to your accommodation and/or wedding – we will even have your name on a board to make it easy for you. We strongly encourage you to pre book as early as possible to avoid disappointment.
